

# KB36

## Composted Organics

A mature compost produced from green waste & biosolids using Super bio-beneficial bacteria & Fungi that meets the unrestricted use classification in Australia.

**AS4454- 2012 Compliant**

**100% recycled organic matter**

**100% Locally manufactured**

Parameter	KB36*	AS4454
pH	7.00	> 5
Electrical Conductivity (dS/m)	2.38	< 10
Total Carbon (%)	21.4	≥ 20
Total Nitrogen (%)	1.17	≥ 0.8
Carbon/Nitrogen Ratio	14.3	..
Estimated Organic Matter (% OM)	36.4	..
Total Calcium (%)	2.24	..
Total Magnesium (%)	0.61	..
Total Potassium (%)	0.50	..
Total Phosphorus (%)	1.07	..
Plant Growth Test - Root Elongation (%)	94	> 90
Maturity Index	8	7 - 8
